ID: 2093

ATTRACTIVE BUILDING PLOT WITH SEA VIEW

Rakalj

96,000 €
109 €/m^2

The County of Istria is famous as one of the most suitable regions for life, and offers many natural beauties supported by a warm Mediterranean climate and a very cordial resident population.

In the town of Rakalj, within the Municipality of Marčana, at a distance of 2 km from the sea, there is this wonderful building plot of 877 m^2 in a very quiet location. The location guarantees the future buyer peace and quiet in nature. Access is from an asphalted road. Water and electricity are available.

- It has a proper shape and all the necessary amenities are located in the immediate vicinity

- Neat access road
- Neat papers

Due to the nature and spaciousness of the said land, it represents a very interesting, attractive and unique property, and offers a handful of possibilities to the future buyer in terms of building a facility for renting out catering activities and a very quick return on investment or building a facility for a comfortable family and everyday life.
