An attractive plot of land for sale, located in the peaceful and pleasant surroundings of Barban, one of the most charming places in inland Istria. The location offers an ideal combination of privacy, natural surroundings and good transport connections to the rest of Istria.

The property consists of 1,379 m² of building land, with direct access from an asphalt road. The plot has a regular rectangular shape, allowing for easier planning and optimal use of the available space. The terrain is gently terraced, offering additional character and various possibilities for designing a future building. Infrastructure is available right at the entrance to the plot, which is an additional advantage.

Why do we recommend this property?

Because of its excellent combination of location, accessibility and land characteristics. Its regular shape, gently terraced terrain and proximity to infrastructure make it an attractive choice for building a family home, a holiday house or as a long-term investment.

Barban is particularly appealing for its authentic Istrian atmosphere, peaceful lifestyle and proximity to natural attractions, while larger Istrian towns and the coast are just a short drive away.

A plot of land offering an excellent foundation for making your plans a reality in the heart of Istria!
