ID: 2169

BUILDING PLOT WITH BEAUTIFUL PANORAMIC VIEW

Rakalj

82,500 €
100 €/m^2

Located on the southeastern part of the Istrian peninsula, there is the charming village of Marčana. Steeped in history and decorated with rustic beauty, Marčana is a haven for those looking for a peaceful vacation in the heart of Istria.

Not far from the municipality of Marčana, more precisely in Rakalj, there is this building plot. The square footage of this land is 824 m^2 and the shape of the land is regular. The land has a beautiful panoramic view and is located not far from the sea and the center of the village. The access road is neat and wide enough. Electricity and water are not far from the plot due to built-up facilities in the area.

ID: 2169

This building plot represents an extraordinary opportunity for the realization of your construction projects. With its convenient location, beautiful view and proximity to natural beauty, this plot is ideal for those looking for an investment opportunity or space to build a home.

The property is neat. The land has no encumbrance.
