EXCLUSIVE SPACIOUS AGRICULTURAL LAND ALONG AN ASPHALT ROAD

Marčana

79,000 €
4 €/m^2

The Istrian region is known as one of the most suitable and adequate regions for living, and offers many natural beauties supported by a warm Mediterranean climate and a very friendly local population.

Not far from Marčana is this spacious agricultural land, which is mixed in terms of arable land and forest, and has a total area of 18,822 m^2. The land has a well-maintained access road from the asphalt road, which makes it easier to use and offers various possibilities given its mixed content, the part where the arable land is fertile soil that was once cultivated, and the part of

the land that is naturally forested is rich in perennial trees of various types of trees and as such offers additional usability.

The aforementioned land represents a very interesting investment in an excellent location and provides the future buyer with a very economical investment for various purposes such as farming, forestry, investment in recreational purposes or the like.
