The municipality of Medulin is located in the very south of the Istrian Peninsula on the coast. Medulin, once a fishing village, is now a modern tourist center that has emerged as one of the most desirable tourist destinations in Croatia in the last ten years, as evidenced by the highest number of overnight stays in recent years. In addition to a convenient location, the strong development of Medulin also contributes to excellent transport connections. Close to the highway and Pula Airport at a distance of 7.5 km.

Right in Medulin, at the very entrance to Medulin, not far from the main road, there is this wonderful agricultural plot of 433 m2. The land is cleared, flat and of a regular shape and has an access road. It is 1.5 km from the sea and also from the center of Medulin 2.

HIGHLIGHTED:
