

# ATTRACTIVE STONE HOUSES IN A UNIQUE QUIET LOCATION

 Barban

 **363,000 €**  
756 €/m<sup>2</sup>

The municipality of Barban, located in southeastern Istria, is known for its rich history, the traditional knightly game Trka na prstenac, and preserved nature. This peaceful area consists of numerous villages and hamlets, surrounded by fertile fields, forests, and vineyards, making it ideal for lovers of the authentic Istrian way of life. Barban offers the perfect blend of historical heritage, rural tourism, and investment opportunities in agritourism and ecological projects. Thanks to its proximity to Pula, Labin, and the eastern coast of Istria, Barban is well connected by road and offers easy access to beautiful beaches and coves along the Adriatic.

This unique real estate complex is located in a quiet location, surrounded by nature and ideal for those looking for an authentic Istrian ambience with great potential. On a total of 1000 m<sup>2</sup> of building land, there are three houses and one additional building with the possibility of legalization.

The main house of 75 m<sup>2</sup> can be expanded to three floors, which would make the total area an impressive 225 m<sup>2</sup>. In the immediate vicinity there is a charming stone house of 50 m<sup>2</sup> (ground plan), as well as a third house of 200 m<sup>2</sup> spread over two floors. In addition, there is an additional building on the property (currently unlegalized, but with great potential for legalization).

Access to the houses is provided via an asphalt road, and the infrastructure is partially solved - electricity is already on the ground plan house of 80 m<sup>2</sup>, while water and additional connection points are in the immediate vicinity. The special value of this property lies in the possibility of a sea view from the upper floor of the house of 225 m<sup>2</sup>. In total, this gives us 475 m<sup>2</sup> of living space (excluding the unlegalized building, approx. 25 m<sup>2</sup>)

In addition to the building land, there is an additional 9100 m<sup>2</sup> of agricultural land on offer, which can be negotiated and is not necessarily included in the purchase.

This property represents an excellent investment opportunity - whether it is for renovation and creation of a luxury estate, rural tourism or a private residence in a peaceful and idyllic setting.
