

# QUALITY LUXURY APARTMENT WITH GARDEN NEAR THE BEACH

 Rovinj

 **732,530 €**  
5,123 €/m<sup>2</sup>

The Istrian region is known as one of the most suitable regions for living, and offers many natural beauties supported by a warm Mediterranean climate and a very friendly local population. In the west of the Istrian peninsula is a small ancient Roman town called Rovinj. Rovinj is rich in its heritage and old Roman infrastructures and legacies that give it a special atmosphere when enjoying this beautiful city, which is a leading tourist destination in Croatia.

This spacious apartment of 143.3 m<sup>2</sup>, of which 91.3 m<sup>2</sup> is residential, is located in an excellent and quiet location in Rovinj, in a smaller residential building under construction with a total

of 6 apartments, with an area of 25.4 m<sup>2</sup>, a garage and two storage rooms, while the garden with a separate pedestrian entrance is 268 m<sup>2</sup>. This highly energy-efficient building will be built by the end of 2026, when it is planned to move in. The apartment will be located on the ground floor and will include two bedrooms, two bathrooms, a storage room or laundry/drying room and a heated pool of 21 m<sup>2</sup>. The apartment has two parking spaces, one in the garage and one uncovered, as well as a storage room within the building. The building will have an elevator, and the garage door and main access fence will be remote-controlled. Smart design and high-quality construction and equipment will enable the highest energy criteria to be met, and ALU three-layer glass walls from renowned manufacturers Schüco/Wicona/Cortizo will be installed, shading with electric motor control and a built-in anemometer for protection against weather conditions such as strong winds. The security of the entire building will be at an enviable level, and a video intercom with video surveillance, an entrance security and fire door to the apartment, and a security and fire alarm system with smoke detection are planned. This truly high-quality and luxurious property will be equipped with high-class bathroom furniture from the renowned Italian brand Idea Group, LED recessed spotlights 230 V for perfect basic lighting of all rooms, and the floors will be covered with ceramics from renowned Italian manufacturers or first-class parquet! The heating system will be via heat pumps and underfloor heating with a separate autonomous inverter air conditioning system for cooling and heating with the possibility of wi-fi remote control. During the design, everything was thought of and water softening and filtering systems will be installed, and there will also be the option of equipping the apartment with kitchens from DanKüchen, Record Cucine and The Cut, at preferential prices. The location is excellent, quiet, and yet not far from the supporting facilities and the center of Rovinj and is close to the beach at only 280 meters. The planned completion of the works is the end of 2026. The property is owned by the company and VAT is paid on the price.

The mentioned property, due to its location, high quality, area and proximity to all accompanying facilities, offers the future buyer a very interesting investment with a long-term return on investment or, if used for personal purposes, a very pleasant family apartment in a quiet location.
