ATTRACTIVE BUILDING LAND WITH OBTAINED BUILDING PERMIT

Filipana, Marčana

73,000 €
123 €/m^2

The Istrian region is considered one of the most suitable regions for living, and offers many natural beauties supported by a warm Mediterranean climate and a very friendly local population. In Istria, on the southeastern part of the coast, the Municipality of Marčana is located, which covers a very large area of the coast, and over the years has been investing in its infrastructure and content, and is becoming increasingly interesting for investors because of its beautiful beaches and ports, and the Istrian style itself.

This attractive building plot with a total area of 593 m^2 with a neat access road is located in Filipana. The land is of a regular rectangular shape, flat terrain and all connections are located

in the immediate vicinity of the plot. A final building permit has been obtained for a beautiful villa with a swimming pool with a planned living area of 155 m^2, and according to the project it would be spread over two floors, the ground floor would have a hallway, a spacious living room connected to the kitchen and dining room with an open space concept, a guest toilet, a storage room, a laundry room and a spacious terrace, while the first floor would have a hallway, three bedrooms with three bathrooms and a storage room. Parking for two parking spaces and a 30 m^2 swimming pool are planned on the plot.

The aforementioned land is located in a quiet location and yet close to the center of Filipana as well as all the accompanying facilities necessary for everyday life, and therefore offers the future owner the possibility of building a building for family life or a building for tourist rental, which would certainly speed up the return on investment.
