HIGH QUALITY APARTMENT UNDER CONSTRUCTION JUST 600 M FROM THE SEA

Valbandon, Fažana

295,000 €
3,882 €/m^2

Fažana is a beautiful small fishing town located in the southwest of Istria opposite the Brijuni National Park, and in the last few years it has become one of the top tourist destinations in Croatia, thus attracting a large number of visitors, and is also suitable for investments with a short return on investment.

In Valbandon, in an excellent location, near the center of Fažana and the first well-maintained beaches, construction of a building will soon begin, and the construction itself will be of top quality, luxurious and unique by a proven investor. This high-quality and modern apartment will be located on the first floor of the building, with an area of 76 m^2 and will consist of a

hallway, utility room, two bright bedrooms, a bathroom and a spacious living room of 26 m^2 with an open space concept connected to the kitchen and dining room and exit to the covered terrace of approximately 9 m^2. The entire apartment has underfloor heating, a combination of PVC and ALU joinery with roller shutters and mosquito nets, as well as high-quality ceramic tiles and parquet. The heating and cooling system will also be regulated by three air conditioning units, two of which will be installed in the bedrooms and one in the living room. The expected completion of the works is the end of 2026.

The aforementioned property represents a very interesting opportunity due to its ideal area, proximity to the center of Fažana, the sea, as well as high-quality construction, and therefore offers the future owner the opportunity to enjoy it either for family life or for tourist rental, which would certainly accelerate the return on investment.
