NEW APARTMENT IN AN ATTRACTIVE LOCATION

Fažana

338,500 €
3,106 €/m^2

Fažana is a small town located by the sea near the ancient city of Pula, the starting port for the Brijuni Islands - a national park with the attributes of an earthly paradise. It has a very rich past, known since ancient Roman times. It is proud of its stone core, sacral heritage from the 6th to the 15th centuries, and the traditions of a fishing village. Today, it transmits small fishing academies of sardines to locals and tourists. Along the entire coast there are beaches and promenades with numerous sports and gastronomic facilities, while in the hinterland among olive groves and pine forests a bike path winds and tells stories of dry stone walls and kažuni.
