EXCLUSIVE AGRICULTURAL LAND IN A QUIET LOCATION

Šijana, Pula

72,900 €
36 €/m^2

Pula is the largest city in the Istrian County, located in the southwestern part of the Istrian peninsula. The Pula Amphitheatre is the largest and best-preserved monument of ancient architecture in Croatia. The city is rich in its heritage and Roman legacies that adorn and complement the culture of this city. In the last few years, the popularity and attendance of Pula has been increasing and it is becoming one of the leading tourist destinations in Croatia. The region is known for its mild climate and beautiful beaches.

We offer a spacious agricultural land with a total area of 2011 m2. The access road is existing and passable to the plot itself and is paved with macadam. The plot has two access roads. The

mentioned land is certainly a good investment and is ideally oriented southwest. The plot is rectangular in shape with a slight slope. There are several trees on the plot itself that give a special charm to the plot.

The peace and energy that can be felt on the mentioned land is truly enchanting. The property in question represents an interesting investment due to its size, excellent location and proximity to the residential area.
