EXCLUSIVE BUILDING LAND 150 m FROM THE SEA

Pomer, Medulin

209,000 €
234 €/m^2

The municipality of Medulin is located in the very south of the Istrian peninsula, once a small fishing village, today it is one of the most desirable tourist destinations in Croatia. In the area of the municipality of Medulin, in one of the most attractive parts, there is the settlement of Pomer, which invests in its facilities and infrastructure year after year and is becoming more and more desirable for year-round living or a very desirable destination for business investment.

This spacious building plot of 893 m^2 is located in Pomer, just a few meters from the sea, only 150 meters from the sea. The land is landscaped and rectangular in shape, and all necessary connections are located to the land. With a beautiful and sought-after location, close to

beautiful beaches and a marina, and an ideal southwest orientation, this land offers great potential in terms of business investment for the construction of buildings, whether apartments or luxury villas in an irreplaceable location. Possibility of purchasing a larger area and fulfilling business goals or building family houses.

The aforementioned land represents a very interesting property due to its prestigious location, orientation and the possibility of purchasing a larger area and offers the future owner the possibility of building buildings according to their wishes, whether for year-round family housing or for business purposes in terms of further sale or for catering and rental activities and a very quick return on invested funds.
