There are cities that you visit and cities that you want to stay in. Pula is exactly that kind of place - a combination of history, sea, relaxed lifestyle and all the amenities needed for a quality everyday life. Coffee on the waterfront, a walk through the old town, beaches a few minutes' drive away and the feeling that everything is within reach.

A LOCATION THAT SELLS ITSELF

For years, Vidikovac has been among the most desirable neighborhoods in Pula, and the reason is simple - you often don't even need a car here.

You can reach the center of Pula quickly and easily on foot, Veruda is a few minutes away, and the sea and the most beautiful city beaches are in the immediate vicinity.

Shops, schools, kindergartens, pharmacies, public transport, sports facilities and everything you need for a quality life are literally at your fingertips. A special advantage is the large number of parking spaces in the immediate vicinity of the building, which is a real rarity today.

SOME APARTMENTS ARE REAL ESTATE. THIS ONE IS A HOME.

If you are looking for an apartment in which you will feel comfortable from day one, in a location that combines peace, practicality and proximity to everything important, then this is an opportunity worth taking a look at. Warm, modern, functional and located in one of the best locations in Pula - ready for its new owners.

Apartments in such positions and in such condition rarely stay on the market for long. For more information and to arrange a viewing appointment, please feel free to contact us. Your new home may be waiting for you right at Vidikovac.
