Centar, Pula

700,900 €
668 €/m²

PULA – BUSINESS PREMISES FOR SALE IN THE DIRECT PROXIMITY OF THE CENTER - 1,050 m² in a residential and commercial building

Pula, the largest city in the Istrian County, is the economic, cultural and tourist center of the region, which has seen an increasing demand for quality business premises in recent years. Thanks to its excellent transport connections, developed infrastructure and continuous growth of business activities, it is an ideal location for the development of various activities and long-term investments.

A spacious business premises with a total area of 1,050 m² is located in the immediate vicinity of the center of Pula. The height of the premises is more than 4 meters, providing numerous possibilities for organizing business, storing goods and adapting the premises to the different needs of the future owner.

The business premises are currently in the unfinished phase, which gives the future owner complete freedom to arrange and organize according to their own business needs and vision. The building has a city gas connection and a hydrant network, which further increases the functionality and safety of the premises. The premises are currently separated and formed into two parts. The sanitary facilities also need to be built.

A special advantage of the property is the covered entrance area, which allows for easier loading and unloading of goods throughout the year. The space has several large openings that ensure plenty of natural light and quality air circulation. An added value is the possibility of creating another entrance, for which the building's tenants have already obtained consent.

The property is located in a quieter part of the city with easy access for delivery vehicles, employees and clients, which makes it suitable for various quiet activities such as a warehouse, distribution or delivery center, wholesale, small market, noise-free production facilities and numerous other business purposes.

Due to its area, location and customization options, this property represents an excellent opportunity for entrepreneurs, investors and companies looking for large commercial space with the potential for business development and achieving long-term investment value. A location that is further developing and a space that is becoming more attractive every day due to the environment that is being formed.

It is possible to use 1-2 parking spaces next to the building with the property, depending on availability at the time of use.

The property is owned by a legal entity and the advertised price is excluding VAT
