EXCLUSIVELY WITH US - ATTRACTIVE LAND 280 M FROM THE SEA – KAMENJAK

Premantura, Medulin

54,000 €
26 €/m^2

Medulin is one of the best-known tourist destinations in southern Istria, recognizable for its indented coastline, clear sea, numerous bays and a rich variety of amenities available throughout the year. Cape Kamenjak adds special value to this area, known for its untouched nature, crystal-clear sea and unique Mediterranean landscape. The proximity to the sea and the natural surroundings make the Kamenjak area exceptionally attractive to those who appreciate peace, nature and the Istrian coastline.

In an attractive location, only 280 metres from the sea, there is this agricultural land with a total area of 2,069 m^2. The plot has a regular rectangular shape, allowing for simple and

practical use of the space, while a well-maintained access road provides convenient access to the property.

An additional advantage of this property is the possibility of purchasing a larger land area, providing the future owner with additional flexibility depending on their needs and plans.

Thanks to its proximity to the sea, the regular shape of the plot, good access and the possibility of purchasing a larger area, this property represents a very interesting opportunity for buyers looking for land in an attractive location near Kamenjak. It is particularly recommended for nature lovers and those who appreciate the Mediterranean atmosphere, as well as for buyers seeking a property with great potential in one of the most attractive locations in southern Istria.
