

GROUND FLOOR APARTMENT - HIGH QUALITY NEW BUILDING

 Veli Vrh, Pula

 **220,000 €**
3,860 €/m²

In the very south of the Istrian peninsula is a small ancient Roman town called Pula. Pula is rich in its heritage and old Roman infrastructures and legacies that give it a special atmosphere when enjoying this beautiful city, which has gradually become one of the leading tourist destinations in Croatia in the last ten years.

Right in the immediate vicinity of the center of this beautiful city, within the Veli Vrh settlement, a small residential building with a total of four apartments has been built. The ground floor apartment is for sale and can contain one or two bedrooms, depending on the buyer's wishes, with a total living area of 54.28 m².

The apartment will consist of two bedrooms, a living room with a kitchen and dining room, a bathroom and a terrace, a utility room and a garden of 80 m². The apartment will be equipped with an air conditioning unit, top-quality Italian ceramics and laminate flooring in the rooms that the buyers of the apartment will be able to choose from, while the bathroom is planned to be equipped with electric underfloor heating. All bathrooms will be equipped with a "turnkey" system with all sanitary equipment, "walk in" shower, toilet with built-in cistern and toilet bowl, electric flow water heater, as well as a floating sink with shelves for storing things.

HIGHLIGHTED:

High-quality new construction

Close to the sea and accompanying facilities

80 m² yard

With the purchase of the apartment, the buyer also has a storage room in the yard of the building for storing things as well as one parking space. A high energy certificate of all buildings (A, A+) is expected, because the building is built in a controlled quality of construction work as well as the selection of top-quality and certified materials, the selection of the building insulation system with EXP with expanded polystyrene and quality plaster along with the selection of top-quality PVC joinery and IZO glass filled with argon.

The apartment is only 1.1 km from the sea, while the first beaches are only 2.4 km away. In the immediate vicinity of 700 to 900 m there are three well-equipped grocery stores, a pharmacy, a gas station, two car washes, a tire repair shop, a kindergarten and one of the most modern elementary schools Veli Vrh.

Due to its irreplaceable location and proximity to all supporting facilities such as a school, post office, bank, forest, pharmacy, restaurant, as well as the layout of the apartment itself, it offers the future buyer a very interesting investment with a long-term return on investment or, in the case of use for personal purposes, a very comfortable family apartment in an irreplaceable location.
